Mr. Dwight Thomas
[REDACTED]

Dear Mr. Thomas:

We have received the copy of the RCRA manifest evidencing shipment of one barrel of napalm. However, there were two barrels on site. Please provide information to myself or Ruben McCullers within five (5) days of receipt of this letter indicating whether or not the second barrel of napalm has been shipped for disposal.

If you do not ship the second barrel, please provide EPA with written permission to pick up the second barrel for disposal. Either EPA or the Naval Sea System Command will pick up the barrel.

Sincerely yours,

A handwritten signature in cursive script, reading "Henry F. Rompage".
